

# **Bishops Launch Pauline Year Website**

The Year of St. Paul began Sunday, June 28. The Secretariat of Divine Worship of the United States Conference of Catholic Bishops (USCCB) has launched a website dedicated to the Pauline year honoring the 2000th anniversary of the birth of St. Paul. The site is designed to provide resources and related materials to those interested in participating in and learning more about the year-long celebration. A Spanish language version of the site should be ready over the next couple of weeks.

The website contains links to dates and events for liturgical observances that will mark celebrations throughout the year. The Secretariat's Pauline Year website resources are available at <http://www.usccb.org/liturgy>.
